THE INTERNATIONAL MONEYARY CON-FERENCE will hold another session on tomorrow at the Arlington Hotel. The object of the conference is to agree upon a silver dollar of unit value that will pass current in all the republics of the conti-nent and incidentally to be a coinage ratio. If an agreement is reached it will necessitate the recoinage of all of our sil-ver dollars now in circulation. Ex-Sena-tor Hill of Colorado is the most pro-nounced delegate of the three represent-ing the United States on the Commission. A Case With a Parallell.-The with-

A Case With a Parslin.—The withholding of a pertion of Indiana's direct
tax on account of an alleged debt due by
that State to the General Government recalls an order of First Comptroller Lawremoe made some years ago. Congress
passed a bill to refund to the State of
Georgia 8:15,000, the sum of a Revolutionary War claim assumed and paid by that
State. When Judge Lawrence was called
upon to pass upon this account he discovered that from the State of Georgia was
due the Government an unpaid balance.

This releases to conwanted this officer, his duffers to conwanted this officer branches
in the Department. Mr. Wanamaker
wanted this officer's salary to be about
\$10,000 per annum, and appointed for
the Years and lawe the office regardless of
Administration changes. This scheme
did not suit the Congressmon, however,
and it was killed in short order, Mr.
Wanamaker's next move was the addistonal mastismat and this has been a step
forward in the desire to make his Department a model of business methods.

This releases the different branches
in the Department. Mr. Wanamaker
wanted this officer's salary to be about
\$10,000 per annum, and appointed for
the Years and lawe the Office regardless of
Administration changes. This scheme
did not suit the Congressmon, however,
and it was killed in short order, Mr.
Wanamaker's next move was the addistonal mastismat and this has been a step
forward in the desire to make his Department a model of business methods. Jerry Simpson is a fown painter and its socks are liste thread. calls an order of First Comptroller Lawrence made some years ago, Congress
passed a bill to refund to the State of
Georgia \$45,000, the sum of a Revolutionary War claim assumed and paid by that
State. When Judge Lawrence was called
upon to pass upon this account he discorered that from the State of Georgia was
due the Government an unpaid balance
on her direct tax account, whereupon he
seized the \$35,000 appropriated and passed
it to the State's credit. The warrant
having been issued in this manner, nothing could undo it but a new act of Congress. The State's Attorney took the case
to the Court of Claims and the Comptroller's decision was reversed, and the claim er's decision was reversed, and the claim was again ordered paid by the Fifty-first Congress as one of the judgment items of that tribunal. The remarkable feature of the case was that the State first applied for

payment of the claim in 1856 and got the oney in 1801. THE REQUIATIONS for the enforcement of the Tariff act in regard to bounty on lomestic sugars are being prepared by the Internal Revenue office. Producers will be required to file an application for license, giving detailed description of the machinery used ou their farms, and this must be accompanied by a sufficient bond. must be accompanied by a sufficient bond. A permanent annual appropriation is provided to pay this bounty, and all the business connected with the disbursement will be transacted by internal revenue officers. The opinion is expressed that when the law goes into effect sugar that now costs mine cents per pound can be produced for five cents.

the only official callers at the White House up to noon to-day. House up to noon to-day.

The President as now advised, will leave Washington on Wednesday. April 15, on his California trip. The party that will accompany him will be small, and will probably include no ladies.

Several members of the Cabinet will be of the party, including Secretary Tracy, who will swall himself of the opportunity afforded by the trip to visit Mare island Navy Yard and the Union Iron Works at San Francisco, where several United States vessels are now in course of construction.

The itinerary of the trip is not as yet mapped out, but the President will probably be away in all about six weeks. No-WAR DEPARTMENT. ARMY ORDERS,-By direction of the Acting Secretary of War Captain Edgar Z. Steever, Third Cavalry, will proceed to Fort Leavenworth, Kan, and transfer the public funds and property, for which he is accountable to an officer to be desig-nated by the commandant of the United States Infantry and Cavalry School a that place. Upon the completion of this duty he will return to this city. Major Joseph B. Girard, surgeon, is re

mapped out, but the trestdent will prob-ably be away in all about six weeks. Nu-merous letters of inquiry as to what cities the President and party will pass through are being daily received at the Executive Mansion, but no replies can be made as the President himself—has not yet made up his mind as to the exact route he will take. lieved from duty at Fort Lowell, An-zonn Territory, to take effect upon the withdrawal of the troops from that post, and will report in person to the command-ing officer of Alcatraz Island, Cal., for duty at that station.

Leave of absence for two months, to has been granted First Lieutenant Or-mond M. Lissak, Ordnance Department. The leave of absence granted Second Lieu-tenant John B. M. Taylor, Seventh In-fantry, and Captain Folliot A. Whitney, Eighth Infantry, has been extended one month. cral Southern cities on his way to California, but this part of the original programme may be abandoned, as he is urged to visit Oregon and Washington while out on the Pacific Coast, and he fears he may not have time to tarry long in the South should he determine to go to

An army retiring board having found Captain Frederick L. Dodge, Twenty-third Infantry, incapacitated for active service, the leave of absence on account of disain the South Substantial the far Northwest.
Secretary Tracy is anxious to visit Paget. Sound and inspect the new Government navy-yard now being built there, and may prevail upon the President, if there is not sufficient time for both, to curtail bilty granted him is, by direction of the Acting Secretary of War, extended until further orders on account of disability. At his own request First Lieutenant Andrew G. Hammond, Fighth Cavalry, is transferred from Troop M to Troop D of that regiment, vice First Lieutenant Wilsiam A Shunk who is transferred from the time he originally expected to spend TREASURER HUSTON is absent at his home in Indiana. He will return this

that regiment, vice First Lieutenant Wiliunn A. Shunk, who is transferred from

May 10, 1891.
The following transfers in the artillery have been made. First Lieutenant Harry R. Anderson, from Battery E. to Light Battery B: First Lieutenant Thomas Ridgway, from Light Battery B to Bat-tery E. Lieutenant Anderson will proceed to join the battery to which he is transferred.

NAVY DEPARTMENT.

THE MARION IS NOW being fitted out at he Mare Island (California) Navy-Yard for a cruise to China.

THOUSER BETWEEN NAVAL OFFICERS,-There is likely to be another acrimonious fight between two prominent naval offiers growing out of the maneuverings of the White Squadron in European waters. During these evolutions Captain Howell. who was at that time in command of the who was at that time in command of the Atlanta, was relieved from command and placed under arrest by order of Admiral Walker, because his vessel was slow in coming into position. Captain Howell was subsequently relieved from all blame in the matter, but he naturally feels indignant against his superior officer for his baste in issuing an order which unjustly disgraced the commanding officer of the Atlanta in the presence not only of his own officers and crew but of the forof the Atlanta in the presence not only of his own officers and crew but of the foreign officers who were present as well. In order that there may be a thorough investigation into the alleged unfair treatment of himself, Captain Howell has filed charges against Admiral Walker with Secretary Tracy and a naval court of inquiry will probably be the result.

The rollowing NAVAL orders were

issued to-day: Commander John R. Bartlett, to command the Marion April 27; Ensign Frank W. Jenkins, Surgeon F. B. Stephenson, Passed Assistant Surgeon T. A. Berryhill, Paymaster Henry G. Colby, Roatswam Daniel Ward and Sailmaker C. E. Tallmon to the Marion Lieutenant Commander J. J. Hunter is detached from the Independence, April 26, and ordered to the Marion as executive officer, Lieutenant A. G. Rogers, From the Independence and ordered to the Marion; Lieutenant H. P. McIntosh, from duty connected with the San Francisco Hydrographic Office and ordered to the Marion, April 27, Lieutenant T. D. Holes, from duty at the Smithsonian Institution and ordered to assume charge of the San Francisco Hydrographic Office April 25; Lieutenant S. E. Weedworth, from duty at the Pacific Rolling Mills and ordered to the Marion April 27; Chief Engineer W. S. Smith, from duty connected with the preparation of the Marion and ordered to the Marion of the Marion and ordered to the Marion that excellantly and the propagation of the Marion and ordered to the Marion and ordered to the Marion and ordered to the Marion (Carpenter W. L. Maples, from duty at the Navy Department and ordered to the Marion April 27. Ensign T. G. Dewey has resigned from the Navy. He has been detached from the Independence and granted one year's leave. F. B. Stephenson, Passed Assistant

and granted one year's leave.

POSTOFFICE DEPARTMENT. THE BUTTES of the newly-created office of Fourth Assistant Postmaster-General maker. They will in all probability con-

Among the divisions mentioned a likely lo come in the previous of his au thority is the Inspection Buresu and For-eign Mails. This will relieve the First Assistant of these offices and enable him Assistant of these offices and enable him to devote more time to the free delivery system and the Special Allowance Division. The additional office causes an equal distribution of labor among the assistants to the Postmaster-General and takes from him a great many burdensome details that delay the consideration of weighty matters. Mr. Wanamaker's pet idea has been to have created by Congress the position of executive postal officer, his duties to consist of a general supervision and continuity.

THE FOLLOWING POURTH-CLASS POSTORICE will be raised to the third, or Presidential class, on April 1: Jacksonville, Ala.; Monticello, Ark.; Escondido, Cal.; Wind-ser, Conn.; Georgetown, Bel.; Waynes-borough, Ga.; Milford, Ill.; Vinita, I. T.; Montesums, Ogden, Sidney, Iowa; Biss Montesuma, Ogden, Sidney, Iowa; Bies-field, Cedar Springs, Newberry, Vicks-burg, Mich.; Ely, Minn.; Summit, Miss.; Webster Groves, Willow Springs, Mo.; Gzad, Neb.; Burlington, N. C.; Dela, Ohio: Duquesne, Westfield, Pa.; Jones-borough, Springfield, Tenn.; Del Rio, Onanah, Stephenville, Uvalde, Yoakum, Texas; Morrisville, Vt.

POSTOFFICE INSPECTORS arrested yester-day at Blume, Tex., P. A. Endsley, who, while postmaster at Walnut Grove, Ala., absoonded on February 23 last with \$1,726, funds of the office.

FRANK P. CONGER, representing the

syndicate owning the property on G street, beteen Sixth and Seventh northwest, has made a proposition to the Post-office Department to creet a building for the use of the temporary city postoffice by November 1, '91. The yearly rental of the building has not been tixed yet, but it will be between eight and tenthousand dollars. Postmaster Sherwood was busy this morning looking over Mr. Conger's plans when a reporter called. He does not think his office will use more than two thoursand the basement of the structure. The general opinion is that the structure. The general opinion is that the structure. The general opinion is that the structure in the more desirable; it is accessible to three lines of street cars and is in one of the busiest portions of Washington. When Captain Sherwood has outlined in the plans the locations of the different offices and divisions in the postoffice, the matter will be referred to Mr. Wanamaker.

The three expert accountaxis/known the use of the temporary city postoffice by November 1, '91. The yearly rental of

INTERIOR DEPARTMENT.

Is Secretary North's opinion the Coeur d'Alene Indian Reservation opened for settlement by force of the statute embodied in the Indian Appropria-tion act of March 3, 1891. Settlements will be made under the homestead law, which provides for the payment of \$1.30 per acre, one-half of this sum to be paid within two years.

DEPARTMENT OF JUSTICE.

THE ATTORNEY GENERAL Vesterday received a telegram from the United States Marshal at Pensacola, Fla., saying that five of the men connected with the shooting of United States officers at Bonifay, Fia., in December last, have been ar-rested, and that they pleaded guilty to having conspired to kill Government

A LAKE DISASTER.

The Steamer City of Detroit Goes on a City of Detroit, of the Detroit and Cleveland line of steamers, went on a rock at the Lame Kiln's crossing in the Detroit River, at 12:15 o'clock this morning, daring a fearful storm. The shock stove a hole in her, and she gradually sank to the bottom in twenty feet of water. The steamer had seventy passengers and 125 tons of freight on board. There was no commotion among the passengers, as few were aware anything had happened until all danger was passed. The passengers were taken off by the steamer Riverside and returned to this city this morning. The vessel lies on the bottom in twenty feet of water, and wreckers have been sent from Detroit to raise her. The extent of the damage canand line of steamers, went on a rock at wreckers have been sent from Detroit to raise her. The extent of the damage can-not be estimated at this time, as the elec-tric-lighting machinery, the dining-room furnishings and other valuable equipments of the steamer are below the sub-merged line. The vessel is valued at \$775,000.

Many Witnesses Swear That the Dead Kentuckian Repeatedly Said He Would Kill the Defendant-Mrs. Mill-There were not over fifty people in the riminal Court room this morning, out-

side of the jury, attorneys and coart officers, when Judge Bradley took his seat and opened the eighth day of the Kincaid trial. The court room looked dark and MAUNUS J. PLETCHER JOHNSON ook the witness stand the gas was still burning over the Judge's bench and the

a letter and asked whether he recognized the handwriting. He placed his glasses on his nose and said: "Your Honor, I think I do. That's rom my wife."

Judge Bradley opened the communica tion, and after glancing at its contents allowed the juror to take possession of it. Through the consent of Mr. Johnson a witness who was anxious to leave the city

was substituted on the stand. said that in February, 1890, she had an apartment at the Shoreham and took her meals outside. I remember the day of the Taulbee homicide and I met Mr. Samuel Donelson at that time. He talked to me about the shooting and said that he had never seen Taulbee so much excited before. He (Donelson) talked to me at the dinner table and said that Taulbee had pulled Kincaid's ear and told him to arm himself. Mr. Donelson's wife and her sister, Mrs. Dalton, were with him at the time and heard what he said. Mr. Donelson told me that he had tried to keep Taulbee away from Kineaid all day for fear that something might happen. MARY L. MILLMORE

happen.

A few of the answers given to questions asked Mrs. Millmore were overraled, as she had been told by the Judge not to reply to them. District Attorney Cole cross-questioned

but very little, and no new facts were Mr. Johnson then proceeded with his Mt. Johnson then proceeded with his evidence, which was as follows: "I was acquainted with Taulbee, also with Kincaid, and I know that the former had made threats toward the latter. During Cleveland's Administration I was chief of the Account Division in the Land Office. "My acquaintance with Kincaid extended over a period of fourteen years. He was Railroad Commissioner for three years with me in Kentucky, and his character for peace and amiability was unsurpassed."

Doorkeeper Mann of the press gallery testified that he overheard threatening remarks made by Taulbee toward Kincaid, but could not exactly recall the words. Judge Baker af the Board of Appeals also stated that he had known Kincaid in Kentucky, also in Washington, and that he had never heard his reputation questioned by any one.

- J. F. DURHAM on direct examination said: I am a new on direct examination said: I am a news-paper correspondent and was acquainted with ex-Congressman. Taulbee and K in-caid. In December, 1888, Mr. Kinesid was sick and I was representing him for the Louisville Times. I went to the Capitol and called for Mr. Taulbee and asked him for news for the paper. He came from the House of Representatives and said: "If it is a favor for you, all right, but I will not give Kincaid anything. I ought to have killed him before, but if he ever crosses my juth again I will certainly do

crosess my path again I will certainly de Miss Emily Kincald, a sister of the de-fendant, said that she heard of the shooting and said that she came to the city from Danville, Ky., and saw her brother

in the District jall.

Judge Wilson asked her several questions as to his condition, but she was not permitted to answer them.
Cuptain John P. Mast, who arrested kincaid at the Capitol, was recalled in order to fill in a few points in evidence that had been omitted, after which

of the Evening Star was recalled, and he stated that he remembered of having had a conversation with Poorkeeper Woodbridge at the door of the House the day of the shooting. To the best of his recollection the remark that Taulhas had made ection the remark that Taulbee had made o Kincaid was "you better be armed." Mr. Miller said that his business was that of gathering news for the press.
"Did you make any notes of what you heard that day." asked District Attorney

Cole.
"No, sir, I did not, for I seldom made notes of any news that I gathered.

"Mr. Kincaid had a very good reputa-tion," continued Mr. Miller in reply to a juestion, 'and we had every reason to liscuss it, because the correspondents thew that his life had been threatened, n account of an article that he was sup

on account of an article that he was sup-posed to have written."

General Grosvenor then argued as to the relative positions of the decepsed. Donelson, Lovell, Stillman, Brown and the defendant, Kincaid, and the distance they were standing apart at the time of the shooting. "We ask, said the General, "that we be permitted to demonstrate by experiments in the presence of the Jury or in the presence of competent witnesses just what effect a builted would have on a white substance the same as that at the Capitol. A pisted and same as that at the Capitol. A pistol and cartridges of the same size, strength, and manufacture as the one introduced in evidence will be used."

General Grosvenor called attention to a number of authorities where testimony of this character lead here, admitted and call.

this character had been admitted and considered competent.

The purors were dismissed until I o'clock and Mr. Howard Clagett, in behalf of the Government, took up the argument against the admission of any such experiment simply because it had been used in the Frank Ward trial recently. He also produced a number of authorities to demonstrate that such evidence ought not to be accepted as expert testimony.

Judge Wilson answered that all they wanted to show was what distance the defendant was from the deceased when the revolver was discharged. The defence only wanted to illustrate by the this character had been admitted and con

marks will be lett. Air, wissol process seven pieces of paper bearing marks of bullets fired at distances varying from four inches to four feet.

The Government through Mr. Douelson, Judge Wilson argued, had placed Taulbee in a certain position on the stairway, while the theory of the defence was that Taulbee was adventing feeting for

anding on the steps. Judge Bradley held that evidence of thi character was incompetent and he de-clined to admit the testimony of Professor Loris, by whom experiments had been made with a rovolver on eight sheets of white paper. His Honor argued that while the pastol might have been of the same make the action could have been materially different. the powder in the cartridges not as strong and the atmos-pheric pressure changed. Maurice Splain in his testinions. Maurice Splain in his testimony verified the talk that passed between Kin-cald and Taulbee.

SWORE BY THEIR BLOOD.

A Maßa Society Formed by Italian Laborers in Pennsylvania. Hazagrew, Pa., March 31.—The Italian railroad laborers hereabouts have been restless since the New Orleans lynching, and the killing of one of their number in a recent fight with an American fellowaboter has increased their uneasiness. Yesterday an Italian named Pasco told s boss, in return for a favor, that durday evening the Italians held his boss, in return for a favor, that on Saturday evening the Italians held a secret meeting and formed a Malia society to proceed their interests in this section, and also avenge their New Orleans brothren. They pricked themselves with stilettes and swore by their blood to carry out the purposes named by taking the lives of Americans, if necessary.

WM. WILLIAMS' NARROW ESCAPE

FROM BEING A MURDERED MAN. Desperate Quarrel Between Two Colored Lovers-The Woman Calls Out the Man and Shoots Him With a British

not been for a lucky button on his tronsers, he would have been a dead man ! For the past year Williams has been visiting Annie, but two or three days ago there was a lovers' quarrel, and Williams dramatically declared that never, under

any circumstances, would be again have anything more to do with his one-time sweetheart.

He rejected all of her loving overtures. He rejected all of her loving overtures, and this morning she brought matters to a climax by going to Crowley armed with a "British buildog" revolver. She called Williams from the kitchen and waited for him at the rear door of the restaurant. He came, and once again she asked him if he would return. He reiterated his determination not to do this, and then she drew the revolver and fired at him point blank. The ball struck the man in the stomach and staggered him. He did not fall, however, but staggered against the house, while Annie uttered a piercing shrick, and turned to escape.

scape. She was detained, however, and Ser-She was detained, however, and Sergeant Boyle arrested and locked her up in the First Precinct station on the charge of "assault and battery with intent to kill." Williams also was carried to the station, and Officer Hollimberger examined him to discover the extent of his injuries. When the trousers were unbuttoned Williams

Where Bismarck Will Spend His Hotiday-A Notable Friend of the Labor

Cause in Germany. LONDON, March III .- A Madrid dispatch mys that the Spanish Government is making preparations on an extensive scale to hold in Madrid an exhibition in honor of America. Spanish ambassadors have been instructed to procure the co-operaflor of foreign governments, and Austria has already promised to contribute all the books and documents relating to the discovery which may exist in the imperial libraries. A feature of the exhibition will be the presence of the Dake of Veragua. The story has caused fears on the part of the people of an outbreak by the a desceneant of Columbus, to whom Queen Christiana will give the place of Bonor, next to royalty. Spaniards everywhere are enthusiastic for the celebration, as re-viving the memory of Spanish glory, and they hope for the friendly aid of Spanish

American republics to make the occasion successful.
THE CONS. FREE STATE.

THE CONSO FREE STATE.

The British foreign office is said to have received satisfactory assurances from King Leopold as to the intentions of the Congo Free State not to interfere with any portion of Africa within the British sphere of influence, and that he has sent orders that the authorities of that State must not presume to attempt to hold, even if they have already invaled, any portion of the Nile valley. The British East Africa Company, on the other hand. portion of the Nile valley. The British East Africa Company, on the other hand, is preparing to send an expedition to the Nile regions, which is within the boundary fixed by its charter. There is no apprehension of bostilities, as the motive and methods of the British expedition will be strictly peaceable.

BISMARCK AND HIS DIRTHDAY, Prince Bismarck will spend his birth-day to morrow at Friedrichsruhe with his family, and there receive the delegations from Redin and other parts of Germany. A committee of the German industrials, representing the manufacturing interests of Germany, leaves this evening for Friedrichsruhe to present the Chancellor with a magnificent service of silver, appe-ially designed to commemorate his efforts in behalf of the native industries of the Empire.

in behalf of the narive matter that Propies.

The numicipality of Berlin has voted a cordial address and business men generally have agreed to celebrate the occasion as one of boliday rejoicing. The Kaiser is at Stettin to-day, inspecting the war vessels in course of construction, and will gothere to Alton, where possibly he may meet Prince Bismarck. meet Prince Bismarck. LIBERALS WILL STICK TO HOME BULK.

John Morely writes to an inquirer that the Liberals will not abandon home rule, but will decidedly endeavor to win it for Ireland. The Tories affect to sneer at Mr. Moreley's assertion, which they contrast with the slight position given to home rule in the party programme at the recent elections. THE ANCHOR LINE HAS.

THE ANCHOR LINE HAS,
it is stated, decided to send large vessels
hereafter only as far as Greenock. This
resolution is said to be partly sue to the
annoyance caused by frequent strikes
and laborstruggles at Grasgow, but chiefly
to the trouble caused by the filling up of
the channel of the Clyde which has not
been kept properly dredged, although it
is well known that the prosperity of the
city was founded on the dredging of the
Clyde. The news has caused no little
consternation in Glasgow, and may lead
the authorities to display again the old-Balldog.

Death made a close call this morning on William Williams, a colored cook, employed at D. Crowley's restaurant, 1216

Mr. John Morley writes to the Topes as follows: "Nobody whose mind is not poisoned by faction will agree with you that the fallure of the Crown to secure the conviction of the Tipperary riot leaders is without material consequence. The judge told the jury that Colonel Caddell and

told the jury that Colonel Caddell and the police witnesses were on their trial no less than the defendants. The verdict, therefore, shows in three instances that the jury disbelieved the case for the Crown, and condemned Caddell and the police and in no instance acquitted them. That is quite material enough for me."

Mr. Morley then emphasizes the extra precautions taken by the Crown, such as jury-packing, changing of the venue, etc., and follows this up-by asking the Tions. 'Does this shed no light on the Isish Minister's unfaltering assumption during the past four years that every word of a constable or resident magistrate was gostel, and that any contradiction of a costel, and that any contradiction of a nere commoner was an exaggration or a le. The trish Covernment should stick other two resident majistrates in the engl coercion court, and give careful, concentions juries a wide berth.

PERSON PROBESS IN ASSAUL

Official dispatches to-day received from Calcutta confirm the truth of the disastross news of yesterday from Manipur, province of Assam, to the effect that a force of Goorkhas had, after two days of fierce lighting and the loss in killed of 470 of their number, been deteated by the natives of the province. The official advices leave uncertain the fate of the chief commissioner of Assam, Mr. James W. Quinton, who was at the time of the bathe conducting an investigation into
